# Achievements

Achievements can be earned through various activities on Booktower and they are the primary way that you earn coins.

We have several types of achievements: one-time, recurring, event, and secret.

## One-Time Achievements

You can earn one-time achievements by reaching certain milestones on your account.

Here are some of the one-time achievements:

Add Your First Book
Add Your First Fanfiction
Add Your First Webcomic
Add 10 To Be Read
Add 100 Readables
Add 250 Readables
Add 500 Readables
Add 1000 Readables

## Recurring Achievements

You can earn recurring achievements based on your activity on Booktower.

Right now, the main recurring achievement is based on reading something once per month.

## Event Achievements

Event Achievements are only available during limited time events. When there's an Event Achievement available, we'll promote it.

## Secret Achievements

Secret Achievements are achievements that you can earn through various actions on the site, but we want to keep the criteria a secret. Good luck! ☐

# Coins

## What are Coins?

Coins are used to unlock Cosmetics on Booktower.

## How can I earn coins?

The best way to earn coins is to use Booktower!

When you use Booktower to track your reading, you'll receive [achievements](#) along the way. Those achievements have different coin rewards associated with them. We're always thinking about new achievements to add to the site - if you have any suggestions, make sure to let us know!

In addition to simply using the site, you can also follow us on social media and/or join our Discord to get access to the exclusive promo codes that we'll sometimes share there.

## Can I buy coins?

If you want to spend real money to buy coins to unlock cosmetics faster, there are a few options:

- Our [premium members](#) receive coins every month.
- Our Discord boosters receive coins every month.
- You can also [buy coins from our shop](#).

Buying coins is a great way to get quick access to cosmetics while also supporting Booktower but **please spend responsibly!**
