How to Install on iOS

To install the Booktower PWA:

1. Open Booktower Mini on your phone in Safari
2. Click the "Share" button.
   - On the latest version of Safari, you need to click the three dots next to the URL then click "Share."
   - On older versions of Safari, the share button is located at the bottom center of the screen and looks like a box with an arrow.
3. Scroll down, click "View More," then click "Add to Home Screen"

Now you can use the app!
