

How to Install on iOS

To install the Booktower PWA:

1. Open the Booktower website on your phone in Safari
2. Login
3. Click the "Share" button.
 - On the latest version of Safari, you need to click the three dots next to the URL then click "Share."
 - On older versions of Safari, the share button is located at the bottom center of the screen and looks like a box with an arrow.
4. Scroll down and click "Add to Home Screen"

Now you can use the app!
