

How to Delete your Account

To delete your account on the Website:

1. Select **Account** on your navigation bar.
2. Select **Settings** from the dropdown.
3. Select the **Delete Account** tab from the options.
4. Press the **Delete Account Button**.

To delete your account on the App:

1. Select the **Settings** tab on the bottom.
2. Scroll to the bottom and select **Delete**.
3. Select the **Delete My Account Permanently** button.

Once you delete your account, **all your data will be permanently erased** and cannot be recovered. This action is irreversible.
